

Sheboygan Society Of Scale Model Railroad Engineers, Ltd.

www.sssmre.org

February, 2010

Welcome!

Thank you for signing up for our newsletter at the Railroad Open House, January 30th or 31st. We hope you had as much fun playing with the trains as we did!

To help you stay "on track", each monthly issue of this newsletter will have:

- Advance notice of Railroad Lodge special events and meetings
- Links to helpful model railroading websites
- Model railroading hints and tips
- Area merchant specials
- Lots more!

Be sure to let us know if there's something you'd like to see added!

We Have A Winner!

The winner of the train set door prize at our recent Open House came in to claim his prize. He is Marlyn Meinnert of Sheboygan. He used to have trains as a child and has been thinking of getting back into the hobby. He is also a leader of a Boy Scout troop in town. I'm sure we'll be seeing him again!

Thanks to all who entered. We'll have more door prizes to win at future Open Houses.

All Aboard for Model Railroads!

Saturday, February 27th, 2pm

At the Mead Public Library Rocca Meeting Room

The Sheboygan Society of Scale Model Railroad Engineers, Ltd. and J & D's Whistle Stop will show kids (K-up) how easy it is to get started in model trains. See how to do a simple layout without a lot of space. Make a tree for your display. Bring questions! FREE program!

Interested In Joining The SSSMRE?

The Sheboygan Society of Scale Model Railroad Engineers is looking to add to its membership.

Membership includes free admission to all the Society's activities and the ability to come to the lodge any time you'd like.

If you are interested in learning about all facts of model railroading including, but not limited to, scenery, kit-building, weathering, operations, identifying rolling stock and the history of railroads, we invite you to join our friendly Sheboygan group.

Please go to our website for more information and to download an application. www.sssmre.org
